

KATERINA NAUMCHIK

FRONT-END DEVELOPER

ABOUT ME

Hello, I am a person who has a strong passion for programming. I have experience in creating SPA with React/Redux/TypeScript.

Now I am improving my skills in this direction and expanding them with new technologies.

I'm planing to study Node.js, because my next focus is to become a Full-Stack Developer. And also I have interest to design.

I spend my leisure time on Codewars or with educational books.

Open for your suggestions.
